8 afternoon	15-18	Technical requirements and research advantages of a digital library: meeting with the ALIM research group		Certosa di Pontignano (8 km from Siena)	

Accommodation: 21 places reserved at the Refugio, breakfast included (15+6: 3 students of the Uni of Siena don't need it). Cost 51€ xday, some are double rooms (in this case the cost is 46xperson). + 22%VAT if the payer is not UNISI.

A tech assistant will be hired. A logistic assistant is there: dr. Elisabetta Bartoli (except on Friday).

Problem: coincidence with the **SISMEL** annual general meeting, board meeting and conference.

Question: dinners, teachers, teachers' travel and accommodation are paid by the overheads or other funds?

About 12 Master Students of the DH program will also attend.
